|Immortal Being, Bill Friday, the greatest writer in the universe has just emerged from a bout of writer's  
block with an idea for a book that will probably be the greatest story ever told. He's going to create organic  
life on a planet, allow them to evolve and have free will. Unfortunately, there are a few roadblocks. His story  
| About the Author | Ian Strang is an independent writer and artist. He lives in Los Angeles, California with  
his wife Cheryl and zero pets. THE GRAND SCHEME OF THINGS is his first published novel. He  
graduated with a Bachelor's Degree in Communications from Califor  
THE HITCHHIKER'S GUIDE TO THE GALAXY meets "Stranger Than Fiction," in which two humans  
are accidentally sent to another universe and land in the middle of a story that is being written by a supreme  
being who has just come out of one of history's longest bouts of writer's block. The author, Bill Friday,  
decides that his novel will play out on a giant ball of dirt that he calls The Earth, which, in his language  
means 'profit making business venture.' Th
